

Independent Diplomat

a diplomatic service for those who need it most

WHO WE ARE

Independent Diplomat (ID) is a unique new nonprofit venture in the world of international relations, diplomacy and conflict prevention.

ID aims to **resolve or prevent conflict** by enabling disadvantaged and marginalized governments and political groups to engage effectively in diplomatic processes.

There is no other independent agency, for-profit or not-for-profit that seeks to prevent conflict through expert advice in diplomacy.

ID is an independent organization, not connected to any government or international institution. ID is supported by a mix of donor contributions and client fees.

ID only helps those who support **democracy, human rights and the rule of law**.

WHAT WE DO

ID offers an **independent and confidential source of advice and assistance on diplomatic technique and strategy** to governments, international institutions, non-governmental organizations and political groups in areas of conflict or potential conflict.

ID provides clear, practical and effective counsel to those facing unfamiliar and complex international and political challenges to help them **achieve their international objectives**.

ID also has several initiatives in development, including improving the working methods of the UN Security Council and assisting disadvantaged countries in global climate change negotiations.

ID has projects currently underway in Africa, Asia, Eastern Europe and the Mediterranean.

ID's advice is driven solely by the needs of its clients. ID has no political agenda of its own: it works to help its clients get their needs met.
